

North Country Unity Newsletter

Big News! Unity Christian School will now be sending out a monthly newsletter! We will be keeping you posted about new events, activities and updates concerning both our students and their surrounding churches.

December-January Events:

Friday December 16, 2016 at 6:00pm

Riverside Assembly of God is having a Christmas sing-a-long. Please join them for a night of worship and singing! If you enjoy Christmas carols and hymns with some Southern-style songs included, this is an event you don't want to miss. If you have any questions please contact Pastor Lavigne (603)-723-4350.

Sunday December 18th, 2016 at 6:30pm

Unity Worship will be held at First Baptist Church. The night will be a blend of contemporary and Christmas music. We look forward to seeing you!

Thursday January 5th-17th, 2017

Pastor Dean Stiles will be leading a mission team from the Jefferson Christian Church to Haiti. The team will be helping build desks for the new school on Cha Cha Mountain and repair roofs damaged in the hurricane. Please keep this mission in your prayers and for more information about how to support them please contact Pastor Dean at (603)-752-6215.

Have events you'd like on the calendar? Let us know (jaclynhickey@yahoo.com), but please keep in mind the purpose of this newsletter is unity. Hence, we want to outline the type of events, ministries and opportunities for prayer and worship we want to share...

1. Ministries or mission work that shine the light of Christ in our community and would welcome other churches involvement.
2. Events that are a cooperative effort by more than one church to shine the light, pray, worship, etc. or are once-off opportunities for sharing God's word or message.

Not to be negative, but if your event is one of the following, although I am sure it is a great event, perhaps this isn't the place...

1. Fundraisers or other events that are not obviously and or publicly Christian.
2. Events that are really for a specific church. Every church has ongoing worship or Bible Studies that aren't really unity events even if we would love others to attend.

UNITY CHRISTIAN

For those of you who don't know us, we are a small Bible-based school supported by churches in the North Country. This is our first year in operation and we are blessed and thankful for all the support people have given to us through the last six months to make this miracle a reality. We are also unity driven and as part of our mission we thought a newsletter with an events calendar would benefit the entire community. We hope you enjoy it and let us know if you have any feedback or ideas...

What's up? It's been a busy first few months with a trip to the Muster in the Mountains, monthly survival skills training from AMC, a visit to the nursing home and STEMfest. We have even more planned with our six week ski program, more visits to the nursing home and the launch of our Lego Robotics team on the way! We just received \$600-\$800 worth of Lego's through a grant to get us started!

**Unity is looking for volunteers to help clean the school. Please contact
